

EA Document Workshop

This workshop teaches delegates how to confidently use the document editor to create templates that extract information from models held in Enterprise Architect. Delegates learn how to select and order content and define the format and layout of generated documents in Word, RTF and PDF formats.

- Location:** Livingston, UK
- Date:** Wednesday 5th June 2019
- Time:** 9.30am to 4.30pm GMT
- Cost:** £350 + VAT per delegate
- Prerequisites:** Delegates should have a good working knowledge of Enterprise Architect.
- Equipment:**  For classroom training delegates are required to bring their own laptop running Enterprise Architect. It can also be very helpful to have a mouse as this makes working in Enterprise Architect much easier.
- A trial version of Enterprise Architect is fine for training and can be downloaded from Sparx Systems website: www.sparxsystems.com/products/ea/trial.html
- Course Style:** 40% theory, 60% practical
This workshop comprises a set of targeted hands-on exercises to allow delegates to become confident creating templates and generating documentation from Enterprise Architect.
- Delegate Handouts:** Each delegate receives a booklet containing all the workshop slides and comprehensive theory notes which form excellent reference material. Booklets also contain exercises and suggested solutions. Following successful completion of the workshop each delegate receives a certificate.
